

Doug:

We want to get read for a statement on this. I beleive it has considerable support among newspaper men and might mean some endorsements later on.

The Honorable John E. Moss, Chairman

Room B371-B

Dear John:

As chairman of the Federal Laws Committee of the American Newspaper Publishers Association, I would like to express the hope that your subcommittee recommends that the house get behind S.1160 as part of the effort to make more information available to the public.

I have talked to Representative Robert Dole of Kansas in connection with his introduction of H.R.12160. While the Dole measure, like that of Representative Rumsfeld, which was introduced last year, has many desirable features Dole is in agreement that our objective would be well served if we can obtain favorable house action on S.1160.

I would appreciate your views as to how our committee might effectively support such action.

With my best wishes, I am

Sincerely yours,

John H. Colburn
