The Honorable Thomas J. Dodd  
United States Senate  
Washington 25, D. C.

Dear Senator Dodd:

I believe an independent Federal Maritime Administration is an important and necessary step in halting America's continuing decline as a maritime power. Accordingly, it is urged that you vote for either an amendment to HR-15963 removing all features affecting the Maritime Administration, or a motion to return the entire bill to Committee and further, support HR-11696 when it is brought up.

Sincerely yours,
