Mr Dowdy

I trust you, if every one can't see we are under a dictator then they are blind, every day it gets worse. How soon we wont [*sic*] have any thing [*sic*] left to defend our nation, the South has all kinds of threats against it what will be next. I say Impeach Johnson, we need a man that is for all the people.

Dear Mrs. Jordan:

Please let me acknowledge and thank you for your postal card
of March 29th, expressing your views about the type person who
should be President of the United States and stating your fears
that we may soon become a dictatorship.

With very best wishes, I am

Sincerely,

JOHN DOWDY
