Rep. O. C. Fisher  
House Office Building  
Washington 25, D. C.

Dear Mr. Fisher:

I am asking that you oppose the voting bill as Mr. Johnson outlined as it is depriving the states of their rights to set up qualifications for voting. So long as all have the same chance they should be satisfied.

Please oppose the Medicare bill and vote for the Elderly Bill instead as it is much better and fair to everyone concerned. The tax on the Social Security bill is an outrage.

I appreciate all your conservative votes and help us keep the constitution in tact by opposing all other legislation.

Sincerely yours,

Dear [REDACTED]

In response to your letter of March 16, I am pleased to assure you that I share your views on all the subjects you mention. I shall certainly vote against the voting bill and I have long been opposed to the Medicare tax plan. I look with favor upon the Eldercare program.

With best regards, I remain

Sincerely yours,

O. C. FISHER
