

MRS. CHARLES H. ROBINSON
926 CHANCERY LANE
NASHVILLE 5, TENNESSEE

March 20, 1965.

Dear Senator Gore,

I am a housewife with
three children and married to
a non-professional man. I
know you are doing a conscientious
job trying to represent all the
people of Tennessee. I wish to
urge you to vote against
Medicare. I do not believe it
is the best solution for care for
the elderly and that Elder care
would be a far better one. I
feel strongly that Medicare
will lead down a road tried

by other countries — all of which
are having serious troubles in
their medical programs at this
time. I do not think the proposed
program being under social
security with ensuing government
control is in the best interests
of anyone involved.

I know you will give

this your thoughtful consideration
and your views and vote
on this will be of great
interest to me.

Sincerely yours,
